

# The Dance Haven Summer Schedule 2014

The Dance Haven Summer Dance Programs are a fun and educational summer activity that offers the opportunity to experience, experiment and explore the many different aspects of dance. There are many classes that new and existing students can choose from. Summer programs are a great way for students of all levels to improve on technique and stay "dancer fit" for the upcoming dance season. Dancers learn terminology, technique and choreography to various music genres, making summer dance enjoyable.
